Volume 912, Issue 6

Hope everyone is having a great May and hope everyone who was applying for special hunts got lucky this year! Once again, I would like to thank everyone for all you do for the club every month. By the time you read this our biggest event for May will have been completed, I am of course talking about the Kids Fishing Derby. I have no doubt it will be a great success, thanks for all who participated and helped introduce the next generation to fishing.

A lot is going on with regards to the land committee and the research they are focusing on. This month two of us did a tour of various buildings in the area to see what options might be available to the club in the future if a land transfer is decided upon. The committee is also working with individual user groups to get space/land requirements to maintain the current level of service. I would like to thank the Shotgun group for being proactive and getting in their information on what is needed going forward. We expect Archery, Pistol, Shooting Sports, and others to have their information in by mid June.

The early environmental information has come back on the Public Pistol and Rifle ranges, generally it came out as expected, we have one area on the pistol that may have some impact to ground water, but the consultant seems to think our remediation plan will cure all lead issues. We are currently waiting on the Remediation Plan and once we have it will start work getting bids to accomplish the work late summer.

Thanks,
Mike Slevin

On behalf of the Backcountry Hunters & Anglers Armed Forces Initiative, I want to personally thank you for your continued support of our program and mission. Because of dedicated supporters like you, we are able to provide meaningful opportunities for veterans and active-duty service members to reconnect with the outdoors while becoming engaged in the conservation of the lands, waters, and wildlife we all deeply value. Your support directly impacts our ability to grow this community and continue creating experiences that foster camaraderie, healing, and stewardship.

The countless hours, hard work, and generosity you contribute do not go unnoticed. Hosting a successful fundraising event of this caliber would simply not be possible without your willingness to step up and support our cause. Your commitment helps ensure that we can continue serving veterans while protecting the outdoor traditions and while places we cherish for future generations. We are truly grateful for everything you do and for standing alongside us in support of this mission.

Thank you again for your dedication and generosity.

Sincerely,

Barrett Rambie & the rest of Back Country Hunters & Anglers Armed Forces Initiative
