President's Report

BY RICK YORKK

Hello to all.

To Start, I want to thank everyone who came out for the TSC's Annual Meeting. This is the time-honored tradition where we transfer leadership or reaffirm our support of the current leaders who are willing to serve another term. I personally want to thank each one of you who cast your ballot in support of the direction we are going. We have a great board who always serves in the best interest of the club. Now it's time to get to work.

We are gathering a list of projects, prioritizing those projects, and then scheduling them according to our ability to resource those projects. If you have identified a project that needs to be done, please send it to our House committee chair, Matt Gjerstad or contact the office.

To manage the impact of rising costs we need every member to support the club in any way they can. Support can come in the form of financial donations, construction or repair projects, organizing successful events, attending the club's annual work party, cooking for an event, setting up or cleaning up for an event and supporting our ranges by helping the chair with projects. There is no shortage of opportunities to help your club and your club needs you. Please contact any board member or the office so we may find you a spot.

Even February brings lots of activity to the club. The club's auction and dinner to support the Land Conservation Foundation benefitting future expansion of the club, Thursday Night Corn Hole and special events on all of our ranges. Tuesday nights are always social night.

I hope we see you at the club soon!

VOLUNTEERS NEEDED!

Sign up in the office or call— 253-537-6151—to volunteer at the Trout Pond or in our Booth. We know you'll have a great time. Plus you can save on your dues for the next year! Just a few hours of your time is needed, then you can go enjoy the rest of the show. Your ticket may be picked up at the Will Call booth.

The Kid's Free Trout Pond is back! Kids 12 and younger can fish for free and take up to two trout home if they wish. Everything's provided including the plastic bag to take them home in. This is one of the most popular attractions at our shows and it's been missed these past couple of years — we're excited to see the kids and their parents back to enjoy this iconic feature. And to make things really interesting we've added several trophy-sized trout in the mix as well...so hang on!

SANTA'S Kids Christmas PARTY

How exciting to have Santa back with us again in 2022! A very big "THANK YOU" to Richard Friel. What fun the children had sitting on Santa's lap, and some that screamed! My favorite picture was Garret Richardson's daughter letting dad know she did not like that funny looking man! I said give her a few years – she will love Santa. Santa handed out candy canes and his Elf helper, Patty Green, gave out goody bags filled with cookies and toys. We had some really awesome games, crafts and prizes. Thanks to Sabra Gjerstad and Michelle Sterling for working hard gathering games and prizes. We had tin cans made into buckets with stickers, crayons and pencils inside. Christmas trees were made out of paper plates so they could decorate them; and we had lots of ornaments for the children to make. In the foyer we had a "duck pool" with rubber duckies floating. They could pick two ducks, see if they matched and win a great prize. Penguin Plinko, just like the Price is Right – drop in the slot and win. There were two pinatas and the kids loads of fun picking up the candy.

We had lots of cookies and pop corn from the popcorn man, as well as juices, hot co-coa...yummy! Sabra and Michelle filled baggies with reindeer food – hay and sprinkles to spread out before bed. We had a corn hole referee – Fred Miller. Thank you. The Rodricks brought their awesome rocks – spin the wheel and win the rock.

Our decorating team did a really awesome job decorating the trees, stage, windows and stairs. A BIG thank you to Robert McMillan and Jared Wegner for climbing the 12-foot ladder, as well as Fred Miller though he at ground level! As well, a big thank you to all the helpers: Fred and Judy Miller, Vicky Nelson, Linda Fuqua, Patty Green, Matt and Sabra Gjerstad, Michelle Sterling and Rick Yorkk, Robert, Dan and Shirley McMillan, Wendy Rawley, Phoenix Alexander and Ron Austin. And Ron came back the next day to help load up the decorations to take back home. Check out the pictures too!

Hope to see you next year! Nina McMillan

Women's Introduction to Handguns

for Women by Women

We are professional women shooters who are trained and certified. Our goal is to provide a stress-free learning environment and empower women with skills, attitude and safety skills necessary to properly and comfortably handle handguns. This is a live fire class.

This basic introduction class is focused on learning:

The 4 fundamental safety rules: Loading, unloading and clearing; Stance, Grip, Sight alignment, Trigger Control and Safety at home and on the go. You will have the opportunity to fire a variety of our firearms in different calibers under the direction of our instructors. We will provide the handguns and ammo for the class but you are welcome to bring your own handgun and ammo for use at the range after class. Check out our website listed below for more information and like us on Facebook.

On both sites we list upcoming events.
