The Tacoma Sportsmen's Club April 2026

Volume 912, Issue 4

Hope everyone is doing well and been getting out fishing and ready for Turkey hunting! We are also preparing for our spring events. If you wish to support the fishing derby, we could use the help on Thursday the 19th of March at 6PM to spool the reels. We also will be filling easter eggs on Friday March 27th at 5pm for the Easter Egg Hunt Saturday the 28th at 10am.

The land committee has been meeting as reported at the general membership meeting and is making progress. They are looking at all of our ranges and uses. Further reports will be made at the general meetings.

We have placed the environmental firm of Maul Foster Alongi on contract for an amount not to exceed \$61,000. They will be working to complete the Department of Ecology required documents and plans to clean up the public pistol and rifle ranges. Our hope is to get those ranges cleaned up this summer during the dry months. They will be onsite drilling and getting samples for the study on April 8th and 9th and the public pistol and rifle ranges will be closed those days to accommodate this work.

Thanks again for all you do for our sport and club.

Mike Slevin  
TSC President
