Dear Representative Herbkersman,

NFIB is the nation's leading small business advocacy organization. Every two years NFIB compiles a voting record for each member of the South Carolina Legislature. We only use votes that directly impact small businesses in South Carolina.

**I am pleased to announce that based on your voting record on the issues NFIB supported in 2019-2020 the NFIB/SC PAC is proud to endorse your candidacy for office in 2020.** The political action committee is comprised exclusively of NFIB members.

The 2019-2020 NFIB South Carolina Voting Record included legislation regarding:

- Cares act funding
- Business license reform
- Forgiveness of PPP loans from state taxes
- Pushing broadband out to all of South Carolina

Your voting record demonstrates a commitment to the issues critical to the success of South Carolina's small businesses. On behalf of NFIB members in South Carolina, thank you for your support of small business in the South Carolina Legislature. Your information will be included in our voting guide which is sent to all NFIB members within your district.
