

Vote **BILL** **HERBKERSMAN** for SC House

REPUBLICAN PRIMARY • JUNE 9, 2020

896 May River Road, Bluffton, SC 29910 | repbillherbkersman.com

The “Herbkersman for SC House” Platform

Constituent Service

I pride myself on being a first point of contact and communication between state government and the residents of our community.

Senior Services and Healthcare

I will continue to improve access to healthcare and expand programs that enhance the lives of our senior citizens.

Quality of Life

I will preserve and protect our community’s rich heritage, quality of life and pristine environment.

Wise Spending

As my work on the Ways and Means Committee demonstrates, I demand fiscal responsibility with all expenditures and am a fiscal conservative “through and through.” Tax dollars belong to the people ... not the government.

Traffic and Infrastructure

I will continue to insure that Beaufort and Jasper Counties get their fair share of infrastructure dollars and attention from the state.

Attract and Retain Jobs

I will emphasize economic development and business retention to recruit and keep good jobs in Beaufort Count and Jasper Counties.

Education

I will continue my work to improve funding, quality, access and opportunity at pre-k through 12th grade schools, technical colleges and local universities.

“Lowcountry Strong”

I am running for re-election as your State Representative to ensure that our present is protected and our future is secure. I would be honored to have your support.
