

UK SCHOOL ESTATES EXPO 2026

THE FUTURE OF
SCHOOL ESTATES
STARTS HERE

Elland Road, Leeds
28th April 2026

70 category-exclusive exhibitors | Engaged School Estates Audience | Immersive Experiences

WHY SETL

Where school estates leaders connect, collaborate & solve real-world challenges

- Trusted by leading Multi Academy Trusts nationwide
- Actively engaging estates professionals every week
- The fastest-emerging strategic network in UK education estates
- Backed by real collaboration, not broadcast noise
- Now bringing the community together, in person, at UK School Estates Expo 2026

THE AUDIENCE

Who you'll meet at UK School Estates Expo 2026

- Estates Directors & Managers – overseeing capital projects, compliance & maintenance
- School Business Managers – controlling budgets & procurement decisions
- Trust Leaders & Operations Leads – setting long-term estates strategies
- Local Authority estates teams – overseeing school estates at a regional scale

EARLY MOMENTUM

Strong interest ahead of official launch

- Dozens of exhibitors already in discussions, multiple stands already locked in
- Multi Academy Trusts & schools actively registering interest & securing early places
- First paid delegate tickets already confirmed
- Clear demand from both supply chain & school leadership sides
- On track for a fully sold-out 70-stand event in 2026

THE ESTATES JOURNEY

Every delegate enters through Compliance & H&S, because that's where estates begin, keeping people safe.

They move through Facilities, Roofing, and Advisory & Professional Services, before stepping into Construction.

The journey continues into Innovation & Net Zero, and ends with Social Value & Community Impact, the true purpose of everything we build.

Every delegate leaves with a SETL-verified CPD learning certificate - formal learning, not just networking.
