

Thank you for your interest in the Mila Rae Ambassador Program!

Our program is designed for people that love our brand and want to get more engaged with helping us grow while being rewarded. We have a few easy steps for you to join the ambassador program.

1. Get a Lifetime Program Discount of at least 25% off All Purchases
2. Earn 15% of any sale you make to your contacts or through social media. We do this by tracking sales made with a discount code we open just for you. The code will be for 20% off to give customers incentives to use your discount code.
3. Recruit to help us grow. Get \$25 in store credit for every person you refer to the program that is accepted and joins.
4. Get \$10 in store credit for every sale you make. This is in addition to the sales cash bonus in bullet 2).

To sign up for the program email milarae.shop@gmail.com “agree to the terms and conditions” & use the code provided to you by the specified timeline. Once these two actions are taken you will get you own discount code that you can use to purchase additional items and/or share with your followers.
