Hello and welcome to our Day of Education (DOE) and 5-Hours of CE Credit.

Welcome to an exciting opportunity to connect, learn, and grow!

On behalf of the National Association of Benefits and Insurance Professionals – South Texas Chapter (NABIP-SOTX), I am thrilled to invite you to our Single-Day Conference designed to bring together the best in our industry.

This event is more than just a meeting—it's a day packed with innovation, collaboration, and compliance insights. Insurance professionals will have the chance to earn 5 hours of Continuing Education (CE) credit, while vendors can showcase their solutions and build relationships with industry leaders and decision-makers.

Our agenda will feature fresh ideas, legislative updates, and compliance strategies that matter most to your business. Plus, enjoy delicious meals, networking opportunities, and exciting door prizes throughout the day.

Whether you're looking to expand your client base, stay ahead of regulatory changes, or simply connect with peers who share your passion for excellence, this conference is the place to be.

Don't miss out—secure your spot today and be part of shaping the future of our industry!
We look forward to seeing you there!

Vicky Vella

President, NABIP-SOTX

Why Sponsor Our DOE?

On behalf of NABIP-SOTX, it is with great enthusiasm that we extend a warm welcome to you as a valued member or guest of our DAY OF EDUCATION regarding,

ETHICS/VETERANS/FMO'S

This event will be held on May 14, 2026 at The McAllen Convention Center, McAllen TX, and we are excited to have you join us for this groundbreaking experience.

This symposium promises to be a pivotal moment in the insurance sector, where leading experts, innovators, and professionals will come together to explore how gain clarity and stay compliant in their field of service.

We greatly appreciate your support, and we look forward to seeing you at the symposium. Together, we can foster meaningful dialogue and collaboration, driving innovation that will shape the future of the insurance industry. If you have any questions or need additional information before the event, please don't hesitate to reach out to our team at nabipsotx@gmail.com

Thank you once again for your generous support and commitment to the advancement of the insurance industry. We are thrilled to have you on board.

CE Classes *Subject To Changes*

Ethics - 3 Hours CE

Brenda Tellez - Aetna

Course number -

Ethical Conduct in Medicare

This course provides a practical overview of ethical responsibilities for insurance professionals working within the Medicare market. Participants will explore key principles such as honesty, transparency, compliance with CMS guidelines, and the importance of acting in the best interest of beneficiaries. The course will address common ethical dilemmas, including marketing practices, enrollment conduct, and client communication, while emphasizing the consequences of non-compliance. Attendees will gain the knowledge and tools needed to maintain integrity, build trust, and deliver ethical, client-centered service in all Medicare-related interactions.

1 Hour CE

Brenda Tellez - Aetna

Course number -

Veterans Benefits & Medicare

This course provides an overview of how veterans' health benefits and Medicare work together. Participants will learn the differences between VA coverage and Medicare, when each applies, and how coordination of benefits impacts access to care. The course will cover eligibility, enrollment considerations, and common scenarios veterans face when choosing coverage options. Attendees will gain the knowledge needed to guide veteran clients with confidence, ensuring they understand their benefits and make informed health-care decisions.

1 Hour CE

Federico Guardia PSM Brokerage

Understanding the FMO

Relationship Course number - 143642

This course offers a clear overview of the relationship between insurance agents and Field Marketing Organizations (FMOs). Participants will learn the role FMOs play in supporting agents through carrier access, training, compliance guidance, and back-office services. The course will also explore how compensation structures work, expectations on both sides, and how to evaluate and select the right FMO partner. Attendees will gain insight into building a productive, transparent, and mutually beneficial relationship that supports long-term success in the insurance industry.
