

NABIP-SOTX – LISA ADRIANA GRACIA - \$1,000 SCHOLARSHIP

The National Association of Benefits and Insurance Professionals is a non-profit organization, offers the Lisa Adriana Gracia Scholarship for its local members who are seeking higher-education opportunities for their children or grandchildren.

Lisa started #NABIPSOTXGivesBAck (formerly #stahugiveback) movement in her years as chapter president. Lisa’s work helped benefit several local charities during her term as president. After serving her term as present, the NABIP-SOTX board of directors decided to name a scholarship in her name to help students Webb County to Cameron County, which comprise our local chapter, to continue the giveback movement and help them attend any higher education institution to start them on their career in life.

The applicant’s college major isn’t a significant selection criterion, but students *must* attend an accredited college, university, or approved trade school. NABIP-SOTX will award two \$1,000 scholarships, to two different students, that will be deposited into the student’s account at their college. Proof of registration for classes will be required before funds are deposited. These funds can be used for tuition, books and/or fees.

Selection will be based on:

- The student’s intent is to seek a degree at an accredited education institution of their choice.
- Residency in Texas and US citizen.
- Consideration of all factors other than scholastic achievement will be considered without regard to race, gender, color, ethnic origin, religious belief, marital status, or physical handicap.
- Incomplete applications cannot be considered. In addition to this form, please attach two letters of recommendation from teachers, coaches, or other non-related adults.
- Students must graduate high school by the Spring or Summer of the year they are applying. Students may apply for this scholarship every other year.
