Adria regularly wins independent awards for design, innovation, quality and value.

# Why choose Adria?

There are, of course, many brands to choose from, but the reasons for choosing Adria have never been so compelling.

## **PASSION & EXPERIENCE**

Adria has been designing and manufacturing leisure vehicles for over fifty years.

## **INTELLIGENT DESIGN**

Adria leads in intelligent design, technology, construction methods and materials.

## **WORLD-CLASS MANUFACTURING**

The most advanced production facilities in the industry, ISO 9001, 14001 & EFQM 5 star certified for business excellence, quality management & environmental standards.

## **QUALITY**

Adria Campervans have a reputation for quality, reliability and durability using proven automotive manufacturing techniques. We make most of our own furniture and quality control the entire vehicle manufacturing and testing process.

## **PEACE OF MIND**

Adria Campervans come with a class-leading warranty and over 500 Adria dealers across Europe and beyond, with a world-class parts supply and aftersales service.

# WE DO THINGS DIFFERENTLY

There are many brands of campervan available but choose an Adria where everything is meticulously designed, developed and tested to ensure your safety, comfort and enjoyment. Designed to perform with ten key reasons why we do things differently.

## 1. INTELLIGENT DESIGN

Designed with seamless integration of interior space and a wide choice of new contemporary interiors, layouts and exclusive features.

## 2. BASE VEHICLES

Perfect integration with the base vehicle, with the latest Euro6 engines from Fiat and Citroen or choose the new Active MPC, featuring the latest Renault Trafic with latest Euro6 engine. All vehicles with a choice of driver aids.

## 3. BODY CONSTRUCTION

Strong and robust body construction with a 7 year Water Ingress Warranty.

## 4. HEATING

Truma heating (with optional Webasto on selected models) and Alde heating only on Supreme 640 SLB model. Heated and insulated waste water tank also available.

## 5. INSULATION

Adria's 'Thermo-build' standards, with the best insulation materials, sophisticated air flow management and heating. Vehicles tested in our own climatic chamber.

## 6. AIR-FLOW

Adria's sophisticated Air-Flow System means every vehicle has integrated air-flow and ventilation designed in.

## 7. WINDOWS & DOORS

Adria exclusive new Sky-roof windows on Twin Supreme models. All windows and doors are integrated for optimum lighting, ventilation, privacy and security.

## 8. FURNITURE & STORAGE

Craftsman built cabinetry integrated with heating and air-flow for optimum thermal efficiency. Plenty of flexible storage in every vehicle too.

## 9. COMFORT

The combination of contemporary interior design, optimized space, functionality and ergonomically designed living spaces, with new-design lighting.

## 10. CUSTOMER SERVICE

Class-leading 2 Year General Warranty and 7 Year Water Ingress Warranty as standard, a dealer network of over 500 dealers and an efficient after sales parts service, with roadside assistance, where provided by the basic vehicle manufacturer.

# CLIMATE CONTROL

Adria Twins can be used all year round and offer Truma heating, combined with Adria 'Thermo-build' standards of insulation and air-flow management for perfect comfort.

All vehicles are subject to climate chamber testing.

**INSULATION.** All Adria campervans are built to our 'Thermo-build' standards with advanced insulation materials, heating design and air-flow with no 'cold spots' and a pleasant controllable comfort, all year round.

**AIR-FLOW MANAGEMENT.** Adria's integrated Air-Flow System for ventilation and the optimum circulation of air, cooling and heating.

**AIR-CONDITIONING.** Adria Twins can also be ordered with factory or dealer fit air-conditioning options.

**HEATING.** Optimized heating efficiency with precise engineering and cold-chamber testing ensuring all season use. Truma heating, Alde heating on Supreme 640 SLB, plus optional Webasto on selected models. You can also order optional electrical floor heating on selected models.

# VEHICLES

Perfectly integrated. Designed and engineered to integrate with the base vehicle and driving is a pleasure, with the latest Euro6.d engines and advanced driver aids.
