

Petition Regarding the Purchase of the former Owl's Head R. C. Church Building by the Town of Bellmont

[Please sign only one Petition - Petitions will be collected ~~August 16, 2020~~ Sept 10, 2020]

We, the undersigned, petition the Town of Bellmont Board to carry out its resolution to purchase the unused church building in Owl's Head for use by the Town of Bellmont and the Owl's Head-Mountain View community. We understand the purchase price will not exceed \$55,000 and that there could be additional expenses to convert the building, and to maintain and heat it. These costs could be offset if the Post Office relocates to the former church.

Examples of potential uses of the building are: food pantry (more often than the current once-a-month food distribution); Post Office; meetings of the Town Board, the Town Planning Committee, and other municipal groups; polling place (for town, county, and school district elections); emergency gathering point; meetings of community groups; classes on topics such as safe boating and safe driving; satellite senior center, etc.
