

Marcus Aurelius ruled Rome from 161–180, when the empire was at its greatest extent. He was a thoughtful and intelligent leader and a devoted student of Stoicism. He kept a journal of his most private thoughts, which survives today in a book called *Meditations*.

Color Marcus and list three things you are grateful for.

1. _____

2. _____

3. _____

Help Marcus Aurelius find virtue by solving this maze.

Musa the Devil Frog is a giant, armored amphibian from the Cretaceous period 65 million years ago. He is a *Beelzebufo ampinga*, the largest frog ever to live. Musa has an insatiable appetite, and hunts by remaining motionless, waiting for prey to pass in front of him. He'll eat anything that can fit in his mouth, and even some things that can't.

Color Musa and list three delicious things you recently ate.

1. _____
2. _____
3. _____

Help Musa eat a delicious baby dinosaur by solving this maze.

Marcus and Musa are now awaiting the dentist. Marcus is quietly meditating. Color Marcus and the dental chair and tools.

Musa has discovered he can make the chair go up and down! Further, he can use the water gun to shoot water across the room onto Marcus! Color Musa and draw him playing with the tools and squirting Marcus!
