## “THE CENTIPEDE” 2K/5K FUN RUN AND WALK

You Should Have  
Been Here!

(Maybe you were.)

Two-shirts Steve was—the white one from last year, the new, blue 2024 one over his shoulder—talking journalism with Toby from Channel 18.

And a mom and  
daughter duo gave the  
trail a good going over.

Had you participated on the trail, you would have enjoyed the finish: The picnic in the basement at the Ager Museum.

Especially the last of the strawberries that Janice was scooping up.
