About the Waldemar Ager Association

The Waldemar Ager Association operates a museum and library in Eau Claire, Wisconsin. As a 501(c)(3) nonprofit organization, your donations are tax deductible. Our mission is to celebrate the legacy of Waldemar Ager and to create opportunities for the study and appreciation of Nordic languages, history, literature, culture, and genealogy.

Membership supports this mission and connects you to a vibrant community. Members receive our newsletters, early notice of programs and events, discounts on classes and special activities, and the chance to join others in honoring the resilience of Nordic culture in the Upper Midwest.

Memberships follow the calendar year, January 1–December 31.

Please consider volunteering with us! We are always looking for docents/tour guides, help with the house and grounds maintenance, program coordinators and volunteers, teachers, collections and library assistants, and board members.
