Lawful & Peaceful Until Forced To Defend Our Community!

“It has been said: ‘There is an armed citizen behind every blade of grass within the USA!’ But are we united, organized, and properly trained? It is way past time that we make it so. Will we make it so in time?”

- Michael Van Schaick, National Militia Coordinator

Message To Militia Groups Throughout The USA

You are leaders in your areas. But we, the American People who are likeminded on key issues that we all agree upon, namely: the Declaration of Independence, Original Constitution for the United States of America, and Bill of Rights, which exist to protect and uphold our God-Given Unalienable Rights of Individual Sovereignty, Self-Determination, Free Will, Liberty & Responsible Freedom, **MUST** all Unite & Organize in EVERY County in EVERY State under one message & banner: **WE THE PEOPLE ARE THE MILITIA**. Every American should be wearing a family friendly and community friendly T-shirt that reads: “**2nd Amendment – I AM MILITIA.**” Print them yourself or get yours at: RighteousArmyUSA.org (MilitiaUSA.org).

Message To FBI, CIA, NSA, BLM & Communist Infiltrators

If You Endeavor To Interfere With Or Sabotage Our Lawful, Peaceful, Open & Transparent Efforts To Unite & Organize As The Militia You Will Be Treated As Enemy Combatants under Title 50 U.S.C. 841, Title 18 U.S.C. 241!

- III. STATE COMMANDERS
- IV. NATIONAL, STATE & COUNTY COORDINATORS

I. STRUCTURE

NationalMilitiaNetwork.com and **MilitiaUSA.org** are domain names that point and forward to **RighteousArmy.org**. All three domain names represent the same purpose. We are facilitating lawful and peaceful recruitment, growth, development, organization, structuring, training, and unification of We The People who are the Militia. Whether referred to as the "unorganized militia" or "the Militia," We The People are the Militia.

Michael Van Schaick (AKA Mike Singer), National Militia Coordinator
305-910-6206, RighteousArmyUSA@gmail.com

NOTE: Now that this comprehensive, lawful, and peaceful strategy for uniting and organizing We The People who are the Militia has been thought out, developed, and put into operation, any National Militia Coordinator may be quickly & easily replaced. Now even a child can grow and run the Militia. There is no individual "Leader." We The People Are The Militia. We Are A Righteous Army. We Are All Leaders Working Together!

MILITIA MISSION – Lawful, Peaceful, Open & Transparent, Family Friendly Community Uniting & Organizing Of We The People Who Are Likeminded Concerning The Original Constitution For The Republic Of The United States Of America, Traditional Family Values, Moral Virtue, And The Laws That Govern Our Existence & Protect Our God-Given Unalienable Rights Of Individual Sovereignty, Self-Determination, Free Will, Liberty, And Responsible Freedom.

We The People Are The Self-Governing Power & Authority That Operates Under God And Over The Government. Elected Government Officials Work For Us In Accordance With The Original Constitution For The United States Of America.

NOTE: Any Elected Government Official who is repugnant to or violates the Constitution for the United States of America is a Domestic Enemy.

THE MILITIA FRONTEND STRUCTURE AND MILITIA LAW OFFICE WILL ACT AS A WATCHDOG GROUP PROVIDING PROTECTION AND

DEFENSE AGAINST ANY ATTEMPTS BY THE FEDERAL GOVERNMENT AND ITS COMMUNIST COUNTERPARTS (FBI, CIA, NSA, BLM, ABC, 1, 2, 3... ETC.) TO SETUP AND ENTRAP MILITIA MEMBERS IN STING OPERATIONS. EVERYTHING WE ARE DOING IS LAWFUL AND PEACEFUL. WE ARE ADVISING & TRAINING MILITIA MEMBERS IN PROPER PROTOCOL & PROCEDURES ACCORDINGLY.

MILITIA FRONTEND STRUCTURE

- **National Militia Coordinator (Director)** – Will Ensure Continuity Of Structure & Training For The Militia Throughout Each State. Will Act As Liaison Between The Militia (We The People) And The Federal Government. Will, On Behalf Of The Militia & We The People, Inform, And Put On NOTICE Via Militia Law Office, The Federal Government When It Is In Breach Of Its Duties, Responsibilities & Lawful Obligations.
- **State Coordinators** – Will Ensure Continuity Of Structure & Training For Militia Throughout Each County In Their State. Will Organize & Coordinate Training (See details on website) For Their County Militia Groups. Will Ensure Their State Has A Constitutional Governor And Will Work In Friendly Cooperation With Such A Governor.
- **County Point Men & Women** – Will Recruit, Organize, And Train Men & Women Within Their County Who Choose To Join And Participate In The Militia. Will Connect Qualified Recruits With Appropriate Personnel Within The Militia Combat Structure (Outlined below). Will Ensure They Have, And Will Work In Friendly Cooperation With, A Constitutional Sheriff.

MILITIA BACKEND (COMBAT) STRUCTURE

State Commander

- Executive Officer (2nd in Command)
 - Regiments (Commanders)
 - Battalions (Counties)
 - Companies (Cities / 100 men)
 - Squads (8 – 12 Men)
 - Fire Teams (4 Men)

NOTE: The primary purpose of the backend (combat structure) of the Militia is to train and prepare for Foreign Enemy Invasion of the USA. However, since the government of the USA has been infiltrated and hijacked by communist operatives who are seeking to destroy the USA from within (Domestic Enemies), the Militia will be on standby to assist with domestic issues, which will be brought to light via the Militia Frontend Structure as it identifies, calls out, and exposes such Domestic Enemies.

IT SHOULD BE NOTED THAT EFFORTS ARE BEING PUT FORTH BY DOMESTIC ENEMIES WITHIN THE USA (CORRUPT, BRIBED, BOUGHT OFF, AND PAID FOR ELECTED GOVERNMENT OFFICIALS) TO CAUSE A CIVIL WAR OR FOREIGN ENEMY INVASION, WHICH THEY INTEND AND HOPE TO PROFIT FROM.
