Horse Power

In memory of Sophia's love for horses and support of the Sophia Sunshine Equine Therapy Sponsorship Program, Sophia Sunshine donors

Bethanne & Dr. Warren Goldman made an extremely generous in-kind donation to Ivy Hill Therapeutic Equestrian Center.

Their shared love for horses filled a truck that would be delivered to Perkasio, PA with these very gently used items valued over \$2,500.00: A beautiful horse saddle (pictured above), horse blanket, horse pad, a metal stand, a wood stand, two leather vests, two pair of cowboy boots, low muck boots, long riding jeans, two pair of leather chaps and two cowboy hats!

The Goldman's donation is sure to help facilitate a lot of joy to all the individuals that are connecting with the horses in their equine-assisted services for years to come!

Thank you for your generosity!

Love In Their Hearts

The Girls on the Run team at Sophia's school - Ancillae Assumpta Academy, Educating With Love And For Love; continues to shine!!!

Love in their hearts- The season of fall inspired a dozen of Sophia's classmates, to further beautify "Sophia's Sunshine Garden" for fall! Brightly colored mums, daisies and yellow coneflowers were planted, as well as dozens of daffodils for spring! Worms and a couple of grubs were also acknowledged during the planting process!

In addition, the girls painted "positivity rocks" with kind, inspiring messages- the reminders that we all need from time to time. They will be placed along the garden for all to enjoy!
We are forever grateful for their continued love and support!

Taco Tuesday at Chipotle on September 13th was a fun “welcome back” type of event

as we were all coming off of summer mode and getting back into the swing on things!

It was wonderful to see so many of you dining-in as families and all of those stopping in for pick-up! The event generated a \$285.00 donation from your support at Chipotle. Thank you!

Flower Power

Fall planting wasn't as big of a success as it was in the spring but that's OK!

\$137.00 did go directly to Sophia's Research Towards A Cure for DIPG fund. Thank you for your support!
