.5g: \$45

**PINEAPPLE OG** *Sativa*

**TROPICANA CHERRY** *Hybrid*

**STRAWBERRY GUAVA** *Indica*

*All Emerald dispos are **Live Rosin**. Live Rosin is a cannabis concentrate known for its high quality and potent, flavorful experience. It is made using a solventless extraction process involving heat and pressure applied to fresh-frozen cannabis plant material, specifically the trichomes. This method preserves the plant's original terpene and cannabinoid profile, resulting in a product that is often described as having a rich aroma, distinct flavor, and powerful effects.*

### Prerolls

1 for \$15 ♦ 5 for \$75

**BLUE DREAM** *Sativa*
