## **TIPS FOR A SUCCESSFUL EXPERIENCE IN CONSIGNMENT EXPERIENCE**

- You're Welcome to Work your area FREQUENTLY – we'd love the company!
- **POST ON SOCIAL MEDIA** – Take photos and share with your friends and family, direct them to the store! Offer discounts or incentives for sharing or visiting. This is the easiest way to market and its **FREE!**
- Dust, Clean, and Rearrange. Merely repositioning your items in your booth will draw attention and increase sales.
- Do not dismantle your booth or block access to your booth or the spaces around it on heavy traffic days such as Saturday or Sunday. These are high traffic and high volume sales days.
- All booth in take must occur during slow times or an hour before closing - no intake of large items should occur on Saturday or Sunday. (we can arrange this during closing times if needed)
- All items in your booth need to be clearly priced with your vendor info on the tag. Vintage Therapy will not make phone calls to inquire about prices. You may want to leave an inventory sheet with prices for reference should a tag become lost. If prices are unknown items will be removed from shelves until properly tagged.
