Douglas Scott Delaney STRANDED

Reading, Kansas – Coyote Web Synergy is proud to offer the latest work from Douglas Scott Delaney, *Award Winning writer of non-fiction, fiction, films and plays*, hitting bookstores everywhere **March 29, 2023**.

Reviews From Amazon Verified Purchasers

“Douglas Scott Delaney’s memoir, *Stranded*, may only take Delaney three days and 130 miles to encounter numerous adventures, but like a picaresque novel, we laugh and cringe with Delaney as he “looks for America” on his spring break from college in 1978. He may not be a superhero of his own story, but the emotional miles he chocks up transport him from a 17 year old kid to an adult who sees the inside of life as a challenge.”

“Anyone reading *Stranded* can identify with the “lost” youth scrambling his way out of situations that he never dreamed of when he left New York.”

“Just so good. Doug is a masterful storyteller...makes me feel like I am sitting at a bar in Winfield, KS with him while he is telling me the stories!!!”

Douglas Scott Delaney’s unpredictable and comical *Stranded* was prompted when his son asked “*Dad, did you ever go hitch-hiking?*”

Not thinking it would become the little monster it became, Delaney started by posting a few pages on his social media once a week. The response was as surprising as it was overwhelming, reaching over 100,000 readers in every state and 11 countries.

Coyote Web Synergy and Delaney are proud to offer the revised and **extended *Stranded***, to readers everywhere. Set in and around the Kansas communities of Winfield and Arkansas City during the late 1970s, Delaney’s inadvertent coming of age tale has a wide appeal. Delaney’s signature wit and humor are on full display in **Stranded**, as is his unfailing page turner ability to simultaneously surprise and delight his Readers.

As Delaney notes in hindsight, “*this story was a lot easier to tell than to live.*”

“Once I started I did not want to stop and had quite a few laughs, *this story is that good*. Do yourself a favor and hit a ride with Douglas Scott Delaney, you will enjoy the ride.”

“I first began following the journey on social media and I had hoped it would be put together in a book! Douglas Scott Delaney surely there are more stories from that era of time you will write.”

“I didn’t intend to but once I started I couldn’t put it down. Stranded has just the right amount of humor and intrigue to entertain you from the first page to the last.”

“Delaney hits the crazy spots we all find ourselves in at some point in our lives.”
