

FIRST QUARTER 2021

MTH&LA QUARTERLY NEWSLETTER

THANK YOU FOR READING!

This is the first issue of MTH&LA's Quarterly newsletter. We hope to provide some overview of the past month's activities and a snapshot of upcoming events and networking opportunities!

We want to thank all of our members for your continued support of MTH&LA as we all work to overcome the trials of the last year. Our industry is seeing some uptick in business and for that we are thankful.

MTH&LA has made some calendar changes to ensure the safety of our members while still providing networking opportunities. As we enter the second quarter we hope to open up our luncheons as face to face events.

Again, thank you for your commitment to our organization and willingness to continue to make Tulsa a great place to visit! .
