

AVERSA WORKHOLDING LLC – CLOVER, SC

ABOUT US:

Aversa Workholding is a precision CNC machine shop located in Clover, SC. We offer custom CNC Prototype, production, short run and ongoing contract machining services. We also offer our own line of "Patent Pending" products for the manufacturing industry.

Aversa Workholding LLC is registered with the U.S. Department of State, Directorate of Defense Trade Controls (DDTC), under the International Traffic in Arms Regulations (ITAR). This registration allows us to manufacture defense-related components in compliance with U.S. export control laws.

Industries Served

We have manufactured precision components for medical devices, defense systems, industrial equipment, and motorcycle applications.
