What is Holy Week?

Holy Week is a very special week for all people who love Jesus.

It's the time when we remember everything Jesus did for us, because he loves us so much. Each day of that week has a beautiful meaning and teaches us something important.

What is celebrated?

🌿 On Palm Sunday Jesus entered the city as a good and humble king.

🍞 Holy Thursday We celebrate the last supper that Jesus had with his friends.

✝️ Good Friday We remember when Jesus died on the cross, but he did it with great love. He taught us to forgive and to be strong in heart.

🕯️ Holy Saturday On this day, we do not celebrate.

It's a day to be silent, pray, and hope with the heart. Many families and individuals go to church in the evening for the Easter Vigil, a beautiful Mass where a large candle representing the risen Jesus is lit.

🌅 Easter Sunday We celebrate that Jesus is risen and lives forever! It is the happiest day, because Jesus gives us life, love and hope.

Palm Sunday

🌿 Palm Sunday: The Great Entry One day, Jesus decided to go to Jerusalem. He knew it was a very important moment. So he mounted a donkey and began his journey.

When people saw him arrive, they were so happy that they ran out to greet him.

They waved palm branches and shouted with joy:

—Hosanna! Blessed is he who comes in the name of the Lord!

It was like a big party. Everyone knew Jesus was a king, but not a king with a golden crown! He was a King of peace and love.

Holy Thursday

 Holy Thursday: The Special Supper A few days later, Jesus met with his friends, the disciples, for a very special dinner. During the meal, he took a loaf of bread and said:

—This bread is my body. Every time you eat it, remember me. Then he raised a cup of wine and said:

—This wine is my blood. I drink this for love of you.

Jesus also washed their feet, like a servant, to teach them that to be great is to serve with humility and love.

Good Friday

✝ Good Friday: The Great Love The next day, some people did not understand Jesus' love and decided to harm him.

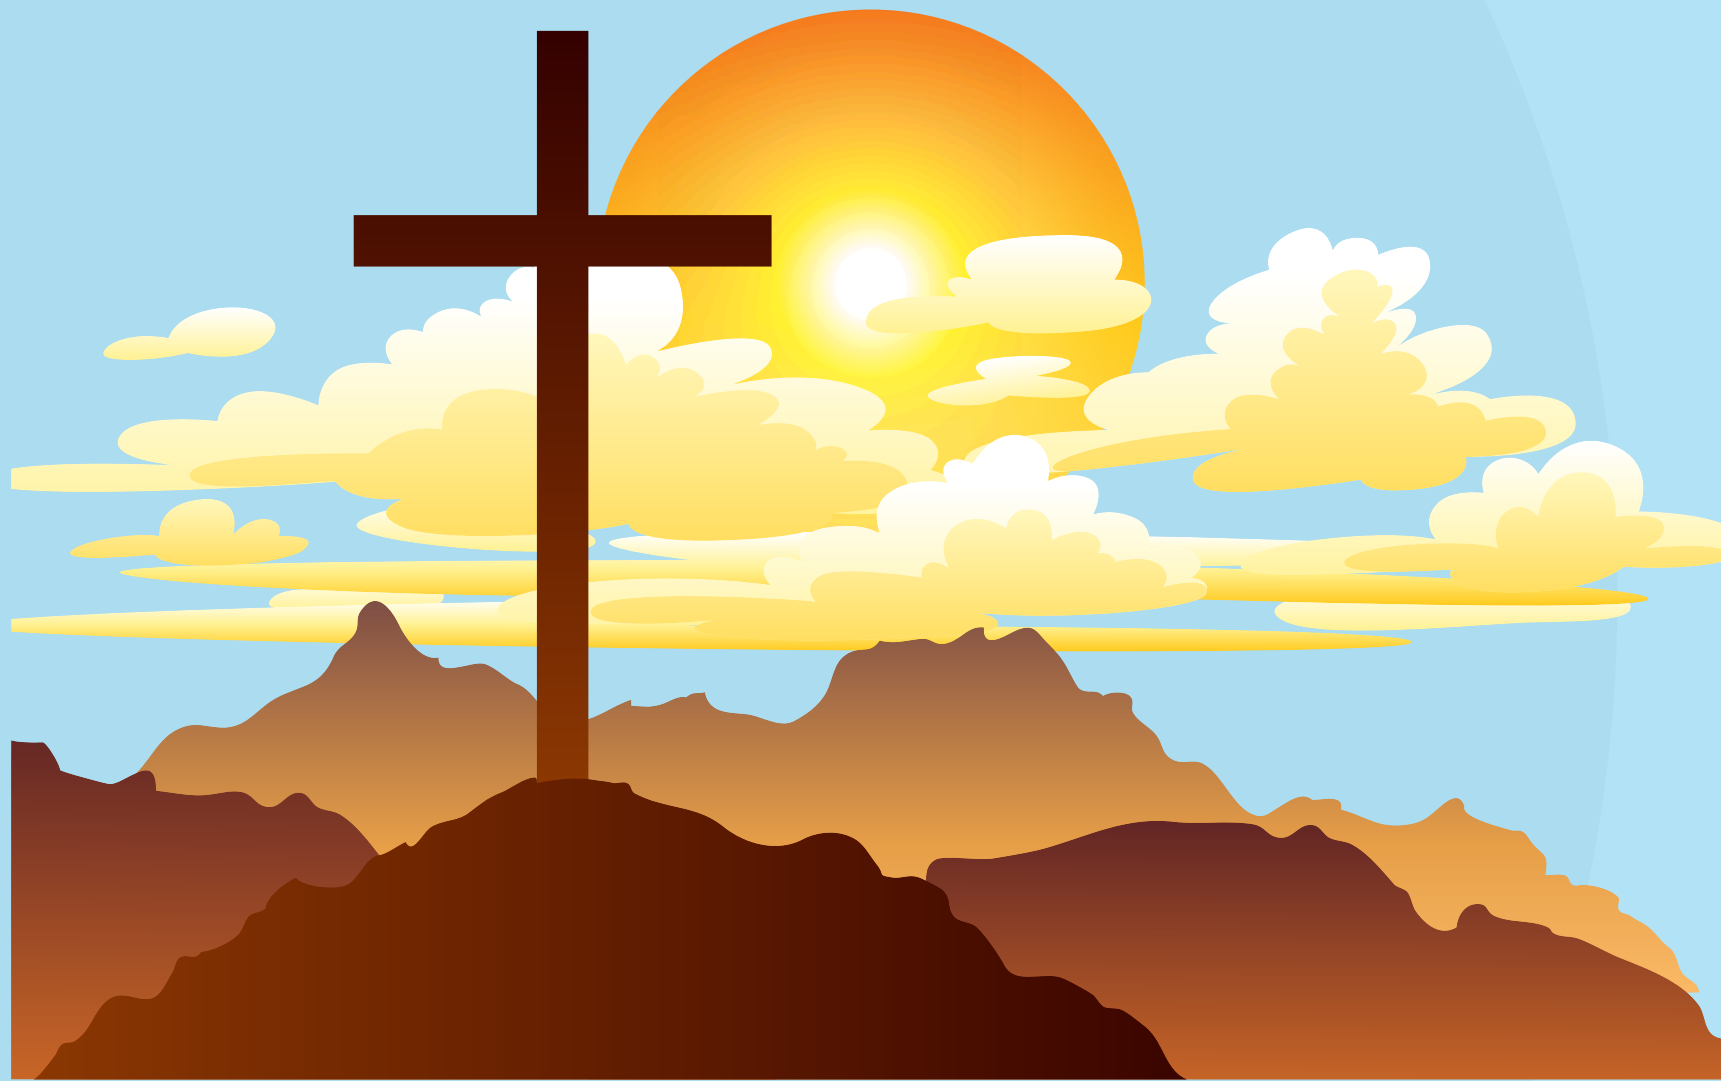

Jesus was taken to a cross. Although it pained him greatly, he didn't get angry. Instead, he said:

—Father, forgive them, for they know not what they do.

That day, Jesus gave his life out of love for all of us. It was very sad, but also very beautiful, because his love is greater than everything.

Holy Saturday

Holy Saturday is a very peaceful and very special day. That day, Jesus was resting in his tomb, after having given his life for us. His friends and his mother, the Virgin Mary, were very sad, but they were also waiting with faith for what Jesus had promised:

✧ ✧ That I would live again!

Easter Sunday

It's the happiest day!
Jesus rose again, that means he came back
to life.
He taught us that God's love never dies.
That is why we celebrate with joy:
Jesus lives! Hallelujah!
