The Pink Softball Charity Tournament  
McGill University Health Centre (MUHC) Foundation

Dear Supporter,

We are pleased to endorse your effort to solicit sponsorships and donations for the upcoming The Pink Charity Softball Tournament. This year's event will be held at St. Charles Park in Dorval on July 10 to 12, 2026.

Potential sponsors and donors will be happy to know that all funds raised will directly benefit the MUHC Breast Clinic's Wellness Program.

We are incredibly grateful for all of the committee members' time and dedication – their work has helped us secure important sponsorships, major gifts, and memorable auction items, all of which make The Pink's Charity Softball Tournament a tremendous success year after year.

Thank you for your continued support of the Breast Clinic at the MUHC.

Sincerely,

A handwritten signature in black ink, appearing to read "Marie-Hélène Laramée".
