## Hope For A Lifetime Christmas Shoes

Our goal every year is to bring hope and a new pair of shoes to each of our youth. For the majority of our youth, this is the only present they will receive all year!

There is no way we can accomplish this without your help. We have over 200 youth signed up for shoes. Each pair costs \$55 with no tax and a free pair of socks.

We are partnering up with Active Ride Shop again. They have all of the shoes with the correct sizes at their store ready to be purchased.

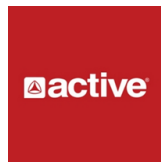

Active's address is 221 E. State St. Redlands, CA 92373

To purchase shoes, you can go directly to Active, ask to buy shoes for YouthHope and they will help you.

Please deliver shoes by December 5.

You can also donate money and we will purchase the shoes for you:

## YouthHope is Expanding!

We are so excited to announce that YouthHope is serving youth at an additional location, in Colton! This is such an exciting time for us as we are able to offer services to even more youth.

We are currently meeting youth at Colton Community Church. We are so thankful to Colton Community Church for allowing us to use their building. We are starting small and working on building relationships with the youth we meet. We offer food, a listening ear, and a safe place to hang out. We meet once a week on Tuesdays from 3:00pm-5:30pm.

The most important thing we do is earn the trust of our youth. They won't ask or help, want to move forward, be honest with us, until they earn our trust. That is our main focus at the moment.

Thank you for your continued support as we embark on this expansion of YouthHope. Our mission remains the same, to build confidence and promote self-sufficiency for homeless, runaway, trafficked, and at-risk youth by providing trust, hope, support, and education. We can't wait to see how many lives are changed!

# National Homeless Youth Awareness Month

November is National Homeless Youth Awareness Month and we have a full month planned with ways to bring awareness and also to raise money for YouthHope.

According to the California Homeless Youth Project, there are over 52,000 youth under the age of 18 who are experiencing homelessness. We want to bring awareness to these alarming statistics and offer solutions to help lower that number.

We have partnered with several local businesses who are supporting YouthHope this month. You can support small businesses while also supporting YouthHope. Make sure you're following us on social media so you keep up to date when everything is happening.

We hope to see you out in town in this month!

## A Note From the Founder

Happy November! We have a very busy month and we hope that you're able to join us as we bring awareness to youth homelessness. I'm so thankful for all of the businesses that have joined with us this month.

We are also looking forward to our Christmas Party and our Shoe drive. This is a day that so many youth are looking forward to. Most of our youth don't get presents

throughout the year, and know that they have a present with their name on it at YouthHope is so special. We need your help to make sure that we are able to get every pair purchased.

If you would prefer to donate money towards a pair of shoes instead of going shopping, you can do that through the link above.

Thank you so much for making the holidays a little bright-

er for our youth. This is always a tough time for our youth as holidays remind them of what they don't have, but with your help we can bring hope to them and remind them of what a brighter future looks like and that people care.

I hope you have a great thanksgiving surrounded with people you love.

We are so thankful for you and all the support we continue to receive!
