WHAT WE DO

FOOD AND CLOTHING CLOSET: Empty stomachs and empty pantries are common occurrence in our youth's lives. At YouthHope, we provide hot meals 4 days a week, along with canned food and grocery assistance. We also provide in-style clothing so our youth can confidently attend school without feeling out of place.

CONTINUED EDUCATION AND JOB TRAINING:

We believe that once basic life necessities are met, education, whether it is higher education or vocational, is critical in helping out youth become self sufficient adults. We provide: GED tutoring, bus passes, school supplies, job training, resume writing and college application assistance.

MEDICAL & COUNSELING SERVICES:

YouthHope partners with many local organizations to help our youth receive the health care they need. This includes: medical, dental, optometric, women's health, and counseling.

HOUSING: We know that without safe, stable housing it is near impossible for youth to move forward in life. We have a boys house and girls house to help with just that. The goal is to cultivate our youth's potential through safe, stable housing, education, and relational connectedness.

ONE-ON-ONE CASE MANAGEMENT: Every story is different. Some youth are in need of a pair of socks while others need homes. YouthHope provides individual case-by-case guidance and care to help meet each youth's individual needs. We love every one of our youth and serve them through love, kindness, support and lots of hugs.
