## Urgent Landscape Help

**We have some major landscaping that we need help with at our Drop-in Center. If you are knowledgeable with sprinklers and would be willing to help us fix our landscaping, please email us at [Heidi@youthhope.org](mailto:Heidi@youthhope.org) or call us at (909) 793-2345 as soon as possible. We want to keep our Drop-in Center looking nice and if we don't get help soon, our trees and plants may start dying.**

## I'm Making It

YouthHope has been there for me since I was a young teenager.

They helped me when I needed food. They helped me when I needed a place to stay and now they are helping me start my journey to becoming a paramedic.

I had no idea the steps that I needed to take when I realized that I wanted to be a paramedic.

No one in my family really knew how to sign up for classes, or what the requirements were, or even being able to pay for it so I turned to YouthHope.

They have always told me how they are here to help me in whatever way I needed the help.

They have always followed through on their promises and I knew they would guide me and give me wisdom on how to fulfill these dreams of mine!

They immediately helped me. They got me signed up, paid for the classes, and even got me a tutor who helps me weekly.

I'm on track to graduate and I can't wait to go out and be a helping hand to people in need.

This is just the beginning. I have big dreams and I now have the confidence to say that I will achieve them.

With support, guidance, and love, I can overcome any barriers that are put in my way.

Thank you YouthHope for believing in me.

## Did You Know?

**We had over 70 youth get their Food Handler's Certificate last year!**

## A Note From the Founder

I am so excited for our Car Show that is coming in September. This is such a fun event we do every year.

We are looking for people who want to come show their cars. This is always the highlight of our Day in the Park. People anticipate what type of cars will come and we always are growing our attendance.

We also are looking for vendors who would like to come sell their goods. This is a great

opportunity for lots of people to see your products while also supporting YouthHope.

If you have any questions, please email Hannah at [fundraiser@youthhope.org](mailto:fundraiser@youthhope.org).

Our youth are working hard at finishing up this school year. They are making sure they have their assignments done, looking for summer work, and looking forward to how the next school year can be successful.

We are so proud of all of our youth and are super excited to celebrate them this summer. We will have a water slide and water fights. It's always such a fun afternoon watching our youth be silly and have fun. They get to forget about the worries and just enjoy themselves while being celebrated.
