WHEN TO BOOK

Soon after you have made the final payment for your Disney Cruise Line adventure, the booking window for your cruise will open. At that time, you will be able to make reservations for both port and onboard activities.

Specific pricing and times will not be viewable until that window opens. Please note that some activities will fill up quickly and most require an additional fee.

Your advance booking window is determined by your Castaway Club membership level, as follows:

- First-Time Guests - 75 days prior to sail date
- Silver Castaway Club Members - 90 days prior to sail date
- Gold Castaway Club Members - 105 days prior to sail date
- Platinum Castaway Club Members - 120 days prior to sail date
- Pearl Castaway Club Members - 123 days prior to sail date
- Concierge Guests - 130 days prior to sail date*

**Concierge Guests can book onboard activities up to 130 days prior to sail date by contacting the Shoreside Concierge Associate team. Online booking for Concierge Guests is available 123 days prior to sail date.*

Did you know that once you complete your first cruise with Disney, you are automatically a Silver member of the Castaway Club and eligible for an earlier advanced booking window? A great perk for your next magical cruise!

Your Options

FOR ONBOARD & PORT FUN

When your booking window opens, there will be a variety of options for both onboard activities and port adventures. Most carry an additional fee.

These options vary by ship and by port, but the list below will give you an idea of what to expect. I recommend visiting the Disney Cruise Line website to explore more options for your ship and the ports you will visit on your itinerary.

Adult-Exclusive Dining

Options are available for dinners and, on some itineraries, brunch. Your ship's restaurants will vary but may include:

- Enchanté by Chef Arnaud Lallement
- Palo
- Palo Steakhouse
- Remy

Nursery

- “it’s a small world” nursery!: Guests ages 6 months to 3 years may reserve time in the nursery for an additional cost. Reservations are encouraged and can be made ahead of time or while on the ship

Photography

- Pre-order your photo packages and products before you sail, and you’ll enjoy savings off the onboard price. Professional photos you purchase during your sailing are printable, shareable, and frameable reminders of your favorite moments with DCL. Plus, you can download all your photos to your personal device to easily share with family and friends

Spa & Fitness

Several options are available on board the ship to keep you relaxed and in shipshape. Options may include:

- Senses Spa & Salon
- Fitness Center
- Hook's Barbary
- Untangled Salon

ONBOARD & PORT OPTIONS CONTINUED

- Beverage Tasting Seminars: for adults ages 21+, there are onboard tastings focused on Mixology, Whiskey, Champagne, Rum, and more
- Bibbidi Bobbidi Boutique/Pirates League: book an appointment at this enchanted salon where kids arrive as themselves and leave as a princess, knight or sea captain. Appointments are available throughout the day and costumes may be purchased on the ship or brought from home. Pirates League makeovers are only available on the Pirate Night of your itinerary (where applicable)
- Goofy's Sports Deck: aboard the Dream and Fantasy only, reservations are available for a miniature golf course, virtual sports simulators and a basketball court
- Olaf's Royal Picnic: aboard the Wish only, join Olaf, Anna, Elsa and Kristoff and the Castle Staff in a delightful afternoon of summertime melodies, treats and merriment. Every child in attendance receives a distinguished assortment of gifts during the picnic as a keepsake of their experience
- Royal Court Royal Tea: aboard the Magic, Wonder, Dream, and Fantasy, enjoy a whimsical teatime in an idyllic storybook setting adorned with sparkling chandeliers and fanciful icons. Feel like royalty—and delight in a very special meet-and-greet with some favorite Disney princesses

Port Adventures

This is where you can really customize your own cruise experience! Every port offers scores of options for you to choose from, and it's important that you spend some time reviewing the options for each port. For beach and island adventures, you might want to book a dolphin encounter or a day at a private beach. For an Alaskan itinerary, it may be a helicopter tour over a glacier. For a Mediterranean cruise, maybe you'd like to do a guided city tour. The options are nearly endless! I'm happy to help guide you to some favorites.

Port Adventures for each port can be viewed by going to the Disney Cruise Line website and looking at the page for each port city. When booked through DCL, you can trust that the excursion/tour has been vetted and that the ship won't leave the port without you!

Is your preferred activity all "sold out" when your window opens? Don't fret. Once you are on the ship, additional options for onboard activities and port adventures will often be available. Check in at that time for openings
