- dine at Toadstool Cafe
- level up with Nintendo themed merch from the 1-UP Factory store
- interact with classic characters
- use Power Up bands to complete challenges in the themed land

In the ride queue, you'll tour Bowser's iconic castle. Pass through the hall of medallions then get an eye on Bowser's plan to defeat Team Mario as you prepare to face off on the track. Put on special 3-D goggles and battle Bowser alongside Mario, Luigi, and Princess Peach. Steer through underwater courses and courses in the clouds, collecting coins and throwing shells to win the Golden Cup. Compete as an individual and as part of a team while you play along with your favorite characters. Level up!

## How to Visit Super Nintendo World

- **REGULAR ADMISSION:** Enter Nintendo World any time, unless the land is at capacity. When it is, you must have a free Virtual Line Reservation to return at a later time. Join the Virtual Line once you arrive on property, via the Universal Hollywood app (recommended) or at kiosks by the land entrance.
- **EARLY ACCESS TICKET ADD-ON:** Around \$20-\$25 per person and available for purchase ahead of your trip, this add-on to your ticket grants you early entry into the land one hour before park opening. You'll also receive express access to the Studio Tour before 11:00 AM.
- **UNIVERSAL EXPRESS PASS:** The best option if you want to do all of Universal Hollywood during your day. You will get a one-time, reservation-free entry to Nintendo World (no need to join the Virtual Line). You'll enjoy Express access for nearly every attraction at the theme park, although Mario Kart: Bowser's Challenge is *not* an option.
