

Community Business Owner,

BlackWatch is a cutting-edge cheer and sports training facility on HWY 280 about one mile east of Grandview Medical Center. We use the platform of sports to produce healthy, well-rounded individuals. We pride ourselves on providing a state-of-the-art facility with superior cheer coaches and trainers that create positive and lasting results with our current 800+ athletes.

Today, cheerleading is recognized as a sport in almost every state. In competitive cheer, as well as in life, success comes from talent, hard work, a healthy lifestyle, self-discipline and determination. The best teams practice year-round an average of 6-8 hours per week.
