

# Brushes on the Bridge

Saturday, May 18, 2024

Arts Alliance Forest Park in collaboration with the Village of Forest Park are planning to repaint the community mural on the Circle Avenue bridge on **Saturday, May 18, 2024**. **Brushes on the Bridge** once again brings together Artists from civic, non-profit and religious groups, families, educational institutions, and businesses in creating a unique series of art along the walkways on both sides of the bridge. Artists will paint 10' x 2.2' high sections of the concrete wall abutting the sidewalk to create their individual section of the community mural. This project unites community members in a fun and creative activity that beautifies the bridge that connects our village.

A limited number of businesses are being offered the opportunity to sponsor the event at the levels listed below. Donations help to defray costs and to support those eager to participate, but are financially restricted. **With your sponsorship, AAFP can continue its mission of making art and creativity available to everyone.** Sponsorships will be greatly appreciated, and we've dedicated a section of the bridge to our sponsors where your company name will be displayed.
