SHAKE THE DEAD AWAKE

Heaven hides behind New York City
Festering in shade
Catching light in the sights of the gritty
Reborn our saving grace

Look away you'll see it Lucid dreaming

Yeah you shake the dead awake
Soul baptism
Dead awake

Bathing in the beat of submission
Hell's Kitchen lives downstairs
Sweating through the night exorcising
Your demons' idle hands

Turn away you'll feel it city's steaming

Yeah you shake the dead awake
Soul baptism
Dead awake

There's a lesson
If you listen
And there's a vision
Standing over me
Standing over me
Standing over me

Yeah you shake the dead awake
Soul baptism
Dead awake
