## TILLY

Heard the news and I already miss you  
Reminiscing the last time I kissed you  
Tilly oh Tilly oh  
Tilly oh Tilly oh Tilly oh  
Words alone they hold no power  
Over you or your illuminated aura  
Tilly oh Tilly oh Tilly oh Tilly oh Tilly oh

Fuchsia light the sky's of June

Yeah life's not fair  
When you're not here or there  
I'll never let you go  
Tilly oh

How can I sleep there's nothing left to dream about  
How can I eat there's nothing to be strong about  
Tilly oh Tilly oh  
Tilly oh Tilly oh Tilly oh  
Daylight's come and gone away to soon  
It's only you who can light a room  
Tilly oh Tilly oh Tilly oh Tilly oh Tilly oh

Fuchsia leads me back to you

Yeah life's not fair  
When you're not here or there  
I'll never let you go  
Tilly oh

Yeah life's not fair  
When you're not here or there  
I'll never let you go  
Tilly oh

Yeah life's not fair  
When you're not here or there  
I'll never let you go  
Tilly oh

Yeah life's not fair  
When you're not here or there

I'll never let you go Tilly oh

Oh Tilly oh
