## DEATH ON HOLIDAY

So this is what it's like to fight  
For peace for war for love for life  
Authentic manipulator preaching all of Sunday's best

Little white lies lay to rest

How can we lie awake  
Knowing just what's at stake my darling  
We need to send death on a holiday  
Grass is green and the sky is blue and I know that the sun will shine for you

No man can stand above the law  
Two wrongs don't make it right so let's go left  
Disenchanted love for theater spilling all the devils best

Truth please come and set us free

How can we lie awake  
Knowing just what's at stake my darling  
We need to send death on a holiday  
Grass is green and the sky is blue and I know that the sun will shine for you

How can we lie awake  
Knowing just what's at stake my darling  
We need to send death on a holiday  
How can we lie awake  
Knowing just what's at stake my darling  
We need to send death on a holiday

Grass is green and the sky is blue and I know that the sun will shine  
Grass is green and the sky is blue and I know that the sun will shine for you
