CAPABILITY STATEMENT

Faith-Driven | Community-Focused | Contract-Ready

Peñate Consulting LLC is a faith-based consulting firm advancing economic development through procurement readiness, certification support, and opportunity optimization. We empower minority- and women-owned businesses to access and compete for government and corporate contracts. Our tailored, results-driven approach simplifies complex processes—connecting clients with growth opportunities while strengthening community impact.

KEY SERVICES

- Economic Development & Opportunity Optimization
- Procurement Readiness
- Certification Consulting
- Supplier Diversity Program
- Grant Writing & Local Government Support

CORE COMPETENCIES

- Economic Development and Procurement Readiness
- Certification Consulting & Compliance
- Opportunity Optimization & Strategic Market Access
- Government & Corporate Partnership Development

PAST PERFORMANCE

We have a proven track record of successfully securing grants and government contracts for our clients. Notable achievements:

Safety 1st Pro Services – Procurement Optimization Plan - 2024

Peñate Consulting developed a tailored Procurement Optimization Plan to improve Safety 1st Pro Services' readiness and success in securing government and corporate contracts.

GHCC Hispanic Business Center– Grant Proposal - 2025

We collaborated with the Georgia Hispanic Chamber of Commerce to develop comprehensive grant proposals (\$160k) that enhanced funding opportunities for small business support programs.

DIFFERENTIATORS

Proven Results: We help minority- and women-owned businesses earn certifications and win contracts.

Specialized Expertise: Our services focus exclusively on procurement and certification for diverse businesses.

Comprehensive Support: We provide end-to-end guidance across certification, capacity building, and supplier diversity.

Community-Centered: We empower underserved markets by supporting the growth of minority-owned businesses.
