

## Notice to Therapist

To the therapist who participated in the OASIS-C2 training in Baton Rouge on March 28th. I know you were told the forms to be used to submit to your board for CEU approval would be posted here today. That has proven to not be possible to do for you. BUT, Laura Johnston has been sent all the documents you need in an email. She is to forward the email to each of you for use in submitting to your board.

If you have not heard from Laura by the time you read this notice, please contact her at 225-769-4764.

Thank you
