

## **After School Care 2022 - 2023 Information**

Dear Parents: Registration for After School Care will begin on July 5, 2022.

Please complete ALL the forms in this packet (one packet for each child) and return to KidFit from 8am to 6pm Monday to Friday (except during field trips on Wednesdays) with \$40 check for Registration Fee. Copies of these forms and the Parent Handbook are available at KidFit.

### **After School Tuition is as follows:**

Registration Fee: \$40 per child due at registration

Weekly Tuition: \$70 week (\$60 for siblings) will be drafted the Friday before each week of after-school care.

### **TRANSPORT TO KIDFIT**

The Long Beach School District currently provides transport to all after school care sites except KidFit. The following options are available:

- 1) You may provide your own transport.
- 2) You may contact your child's school to request they provide transport for your child, as they do for other children and after school programs.
- 3) Register with GC Shuttle for \$25 per month, drafted 1<sup>st</sup> of each month.

*We understand this is an added cost, however transportation is a service we feel the school should provide. It is necessary to recoup this operating expense; therefore, we're offering GC Shuttle as an option for parents.*

**TOTAL DUE AT REGISTRATION: \$40 per child.**

We're looking forward to providing your child/ren with an enriching and enjoyable after school program in a healthy, safe environment to help them create lasting memories and the opportunity to make lifelong friends!

For questions, please email [KidFit@the-energy-club.com](mailto:KidFit@the-energy-club.com) or call 228-868-1498.

Among the many activities available to children in the KidFit Program, homework help/study time is typically provided from 3:30-4:00 pm, Monday-Thursday, where 1-2 staff will be available to provide children a quiet space away from the rest of the group to complete homework assignments. Rather than assigning your child to this time, we request that parents inform us if this is a priority for their child on this form. Discussion between the parent and child is encouraged so that there is an understanding of parents' expectations. KidFit staff do not have communication with your child's teacher and cannot know the assignments of every child. KidFit staff do not check folders or assignment books when a child says they have no homework. KidFit staff do their best to assist children with the completion of assignments, however, constant one-on-one help is not available, and it remains the responsibility of the child to take advantage of the time and support that is offered.

Please indicate your preference after discussion with your child:

Yes, I would like my child to participate in the designated time to do homework.

No, I prefer to have my child do their homework at home.

My child is in kindergarten and therefore has no homework.

Parent's Name: \_\_\_\_\_ Child's Name: \_\_\_\_\_

All the children in the Kid Fit Program are entitled to a safe, supervised, and supportive environment while in our care. The Kid Fit Staff will use positive reinforcement, consistency in following routines, and enforcing reasonable limitations as tools to avoid unwanted behaviors. Our goal as a staff team is always to help children develop and maintain self-control in the group activities & settings with which they are presented. Staff members shall not: a) discipline children for failing to eat or for soiling themselves, b) use hitting, shaking, or any form of corporal punishment, c) use abusive language, ridicule, harsh, humiliating, or frightening treatment or other forms of emotional punishment, d) engage in or inflict any form of abuse and/or neglect, e) withhold food, emotional responses, stimulation, or the opportunities for rest or sleep, or f) require a child to remain silent/inactive for an inappropriately long period of time for the child's age. When a child does exhibit unwanted behavior, the child will be warned and explained why such behavior is unacceptable. Should the behavior persist, the child may be separated from his/her peers for a time appropriate to the child's age, to cool down and have a more in-depth discussion with a staff member. The child so removed will either be under the supervision of another staff member or continuously visible to a staff member. If the behavior continues, a discipline report will be filled out, then reviewed with and signed by a parent upon pick-up. Serious behavior infractions may warrant an immediate report and even a phone call requesting pick-up. Ongoing inappropriate behavior, uncontrollable tantrums/angry outburst, chronic disrespect of other campers and/or staff, consistently not obeying camp rules, or any ongoing verbal or physical abuse of other students/staff will result in suspension from the program until a conference can be arranged with the Director to

discuss an action plan. Immediate expulsion from the program would be necessary if: a) a child is deemed by program staff to be at risk of causing injury to him/herself, other children, or staff members b) if a parent exhibits verbal abuse to staff, especially in front of enrolled children, or c) if a parent threatens physical violence or shows intimidating actions toward staff members. Additional parental actions for temporary suspension or permanent expulsion could result from failure to complete required forms, falsifying information on required forms, failure to pay, habitual lateness in payments, and habitual tardiness when picking up child/children). There will be no credits/refunds for suspensions or expulsions.
