

As of April, 2024, the Northland Area Family Service Center has partnered with the Diaper Bank of Minnesota. Our goal is to provide diapers to families in need in the Northland area, increase awareness about diaper need in Minnesota, and advocate for changes to improve conditions for babies who need diapers. With this partnership, the Family Center has access to diapers of all sizes. If you qualify for WIC- you qualify for access to our Diaper Bank! We have access points at these locations:
