

# Age isn't a **LIMITATION**, It's a **QUALIFICATION!**

## Are you 55 or Older? Unemployed and looking for work? Let us help you join/rejoin the workforce!

The Senior Community Service Employment Program (SCSEP) helps seniors achieve economic independence and an improved lifestyle through job training and employment services.

SCSEP provides both community services and work-based training for participants. Individuals are placed in a wide variety of activities at non-profit and public facilities like day cares, senior centers, schools, and hospitals.

This on-the-job training experience can then be used as a bridge to find employment opportunities outside of the program!

\*Priority is given to veterans and qualified spouses; then to individuals who are over 65, have a disability, low literacy skills or limited English proficiency, or low employment prospects. SCSEP is funded by the Department of Labor, Employment and Training Administration. SCSEP is an equal opportunity employer program.
