Toys for Kids

Toys for kids is a gift-giving program sponsored by the Toys for Kids Committee, Northland Area Family Center, local businesses and community members throughout the area.

This program was developed to help our area children, age's birth to eighteen, have a brighter Christmas.

To participate in this program, you must live in the Northland School District and have an address of Boy River, Federal Dam, Outing, Remer or Swatara.

The Women of Today handle those that live in Longville. Stop in at the bank in Longville for FORM and information needed.

Only one request per child will be considered. If you meet these qualifications and you feel your family would benefit from this program, please complete the form on the back and **return it by mail to the Family Center or drop box, school office or to the Remer Bank by November 15 2023.**
(Requests received after this date may not be fulfilled.)
