

NCFE Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice

This qualification is intended for those who maintain the quality of assessment from within an organisation or assessment centre.

What will be gained?

This qualification is designed for those who currently work, or wish to work in the field of assessment and internal quality assurance. It is designed to support the Assessment and Quality Assurance of all Apprenticeships and vocational qualifications. Learners will gain an understanding of the principles and practices of internal quality assurance and confirm competence in an occupational role to the standards required. This award requires the learners continuing professional development to be up-to-date to meet occupational requirements.

How is the course assessed?

You will receive an information pack and resources to enable you to give written responses to knowledge questions, either handwritten or typed depending on your preference. Observation of performance will support a portfolio of evidence with full support from an allocated assessor.

What are the benefits?

- *Achieve a nationally recognised Level 4 qualification
- * Further your personal and professional development
- *Increase your knowledge and awareness
- * Learn at a time that suits you without the need to attend college

What will be studied?

The course is split into 2 units:

Unit 01: Understanding the principles and practices of internally assuring the quality of assessment

The aim of this unit is to assess knowledge and understanding of the principles and practices that underpin the internal quality assurance of assessment.

Unit 02: Internally assure the quality of Assessment

The aim of this unit is to assess the performance of a learning and development practitioner with responsibility for the internal quality assurance of assessment.

Who can apply?

The cost of the course is £650 (payment plans available) and is for people who are aged 19 years or over and who hold a valid assessors qualification. Knowledge of workplace qualifications such as diplomas and apprenticeship standards is advantageous.

Progression routes

Successful learners can build up experience of quality assurance practice to progress on to NCFE Level 4 Certificate in Leading the Internal Quality Assurance of Assessment Processes and Practice.
