

## Understanding Safeguarding and Prevent Level 2

The aim of this qualification is to support anyone who is responsible for the safeguarding of individuals by providing an awareness of recognising signs of abuse, understanding the Prevent Duty, reducing the risk of radicalisation and understanding the possible consequences of illegal online activity.

### What knowledge will be gained?

This course offers an opportunity to increase your understanding and knowledge of the Prevent Duty and safeguarding as well as online safety. You will develop your awareness of safeguarding in an environment where you have a duty of care. The course also offers employers a training programme that enables the professional needs of their employees to be met to ensure that their staff team have the knowledge they need to support the safety and well-being of children, young people and vulnerable adults.

### How is the course assessed?

You will receive an information pack and the resource to enable you to give written responses to questions in a work booklet, either handwritten or typed depending on your preference.

### What are the benefits?

- \*Achieve a nationally recognised Level 2 qualification
- \* Further your personal and professional development
- \*Increase your knowledge and awareness
- \* Learn at a time that suits you without the need to attend college

### What will be studied?

The course is split into 3 units:

#### Unit 1: Understanding the Prevent Duty

- Understand the Prevent Duty
- Understand the terms radicalisation, extremism and terrorism
- Understand how to reduce the risk of radicalisation

#### Unit 2: Understanding Safeguarding

- Understand the term safeguarding
- Understand the national and local context of safeguarding and protection from abuse
- Know how to recognise signs of abuse or potential harm
- Know how to respond if abuse or harm is disclosed

#### Unit 3: Understanding Online Safety

- Understand the potential consequences of inappropriate or illegal online activity
- Understand how to reduce the risks posed online
- Know about potential signs and behavioural changes that could cause concern

### Who can apply?

Courses are funded for people who are aged 19 years or over, have lived in England for the past 3 years and who are not currently accessing any other government funded training.
