

CORE VALUES

Quality

We uphold a reputation of quality through personal interactions and appearance, with exceptional, organized, and reliable service exceeding client expectations.

Community

Not just a place to work, but a place to build and grow positive lasting relationships with team members and clients.

Growth

We continually strive to develop personally and professionally through our sustained work ethic, pursuit of knowledge, and genuine interactions; creating mutual success.

Safety

Professional service for discerning aviators. We demand responsible actions, sound judgement, and the attitude of safety from all aviators in our sphere.

Loyalty

For those in our camp we have your back, even after leaving the hangar.

Impact

By sharing knowledge, mentorship, high standards, commitment to our word, and respectful interactions we create a positive impact in the lives of past, present, and future team members.

Vision

To create the most positively impactful General Aviation Maintenance company in the nation, while raising the bar of acceptable standards in the industry.

Mission

By developing a powerful team dedicated to safety and self-improvement, Hangar 1 provides professional aircraft services customized to the needs of aviators nationwide - to protect their investment so they can fly with the security of knowing the work done is second to none.
