

# CITY WEST LOTTERIES HOUSE

**Welcoming Contemporary Multi-Functional Accessible**

**Modern & Comfortable Professional Meeting & Working Facilities**

# CONFERENCE ROOM

**Great AV Technology**  
**Spacious**  
**Natural Lighting**  
**Multi-functional**

Seat up to 80 people theatre style, or in workshop groups around rectangular tables, with amazing AV technology via an easy to use wall mounted control panel.

Colours on the big video screens are vibrant and realistic, video conferencing cameras allow you to show the presenter or the audience in the room, and the multi-directional ceiling-mounted video conferencing microphones capture even the quietest speaker in the far corner of the venue.

Be in awe of the crystal clear sound from the ceiling speakers and your guests won't miss a word from the presenter.

Infrared Wi-Fi hearing assistance devices are also available for people who are hearing impaired, so that they can have an enjoyable and satisfying experience listening to your presentation.
