Homes for Horses Ready for Adoption Meet "Jazz"

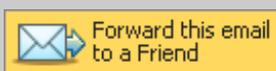

Jazz was abandoned and came to our rescue some time in November 2011. She is a sorrel Quarter Horse, 15.1 hands high and weighed 1053 lbs when she came to us. Jazz was foaled around 1997. She is broke to ride. She is a little shy of folks at first but will warm up to you if you are patient and go slow. One of our volunteers, Ray, has been spending time on her and says she rides just fine.
