## Flint Hills Trail Ride - great fun!

Thanks to everyone who came and rode the Flint Hills with us last weekend!

Every aspect of the entire weekend was wonderful. We had beautiful weather, incredible scenery, excellent dinner & lunch catered by Loberg Grocery in Olsburg, special musical entertainment provided by Bill Price, got to ride with old friends and made great new friends.

Special thanks to trail boss, Jim Thomas, for guiding us across the prairie.

Bluebelle received no care (including hoof care), which resulted in a welfare complaint to the local sheriff. The sheriff then asked for assistance from Rainbow Meadows in securing Bluebelle and her pasture mate. Bluebelle is very easy keeper that will need to be managed and not allowed to range freely on lush grasses. She is a cute miniature mare that is easy to handle and is a pleasure to be with.

## Veterinary Health Center Equine Service

By Dr. Chris Blevins, DVM

There are some exciting changes in the Equine Service at the Kansas State University College of Veterinary Medicine. Not the least of which includes the additions of Dr. Elizabeth Santschi and Dr. Dylan Lutter. We hope you get a chance to stop by and meet them soon!

Last year we held an event to raise funds for the new Equine CT table so we could offer this diagnostic imaging technology to our equine patients. Renovations are under way and we hope to have this service available for patients at the beginning of the year.

In addition to the new CT table, keep watching for more information as we unveil our plans for the new Equine Performance Testing Center which will be the premier lameness treatment facility in the Midwest.

## Legislative Update

Did you know that almost every state in the U.S. has a state horse council? In fact, all the councils convene annually to share information and stay current on equine issues from across the country.

If you're traveling with horses and need help along the way you can access state horse councils through the following link:

## KHC Region 3 Update

By Alisha Owens, Hugoton, Stevens Co.

From the Flint Hills to the Grasslands and everywhere in between, I have had the best times riding in the beautiful Kansas scenery. Whether it be with other horse enthusiasts or alone, I always enjoy my horse time and making new friends. As we all know the trail is a great place to meet people and over the years trail riding has not only supplied me with beautiful scenery, it has also introduced me to some of the best friends I could as for.
