Dear Valued Supporter:

The Alvord Betterment Committee, an organization that works for the betterment of the greater Alvord community, is requesting your support and generous donation towards our cause. We believe that your commitment to making a positive impact aligns perfectly with our mission, and kindly request your consideration in supporting our efforts.

We have recently been approached by a group of Alvord citizens seeking to build a new community building in town. Working with the Alvord city council, the ABC has taken on the task of applying for grants and seeking donations to fund this project. We need your help to push this project forward, and that's why we would appreciate your donation toward a new community building.

The new community center will be located along Main Street on the north side of the city park. Amenities will include a basketball/volleyball court, fitness equipment, a sheltered bus stop waiting area, a full kitchen available for rental for family and community gatherings, and a centrally located emergency shelter for the town. The cost of the project is approximately \$925,000. Our goal is to begin construction by June 1, 2024.

To express our gratitude for your generosity, we would be pleased to acknowledge your contribution publicly on our social media platforms and on a plaque in a prominent place in the facility, unless you prefer to remain anonymous. Additionally, any donation you contribute, is tax deductible, as the ABC is a 501(c)3 non-profit organization. A receipt can be obtained prior to the end of the calendar year from the ABC. If you prefer to pledge an amount to this campaign, please do so by filling out the form below.

Any member of ABC would be happy to discuss this opportunity further and explore potential partnerships or collaborations. If you have any questions or require additional information, please do not hesitate to contact us at the below numbers:
