ChapX is a division of FFH design - interior design for the funeral industry. Our Collections are professionally curated furnishings that work for the funeral home - all available for production - without having to hire an interior designer. We've done the work for you. Please note that many of our offerings are either semi-custom or custom pieces and production times will vary. We will provide an estimated ship date on our quotes but also note that this is an estimate and actual lead-times may vary. Quotes are valid for 15 days. **Please also note that quantity discounts may apply for both product and freight.**
