

OPTIONS FOR YOUR SLEEP PRACTICE

PAP THERAPY MONITORING

For practices who want to monitor compliance and success but don't have the personnel

- Partnering with MoniAir® RPM allows us to pull compliance data directly from CPAP manufacturer platforms.
- Patient data is reviewed daily for timely interventions
- Credentialed coaches operate as staff under your general supervision
- Documentation provided for monthly insurance claim submission

\$49 per PAP patient

SELF-PACED PATIENT RESOURCES & SUPPORT

For practices who want to provide patient education and chat support

- Quick, in-office enrollment
- Online, self-paced educational materials & live chat
- Patient can self-track progress; no interventions or coaching

\$29 per new patient
