

TORNO^{Rx}

— PHARMACIES LLC —

Connecting Patients to Better Care.

Want to Improve Patient Care? Bring the Pharmacy Directly to the Patient by Making Torno^{Rx} Your Clinical Pharmacy Partner.

TornoRx transforms the physician's office into an extension of the pharmacy. Utilizing state of the art automated dispensing technology, we enable primary care practices to deliver pharmacist-verified medications before patients leave the building improving adherence, accelerating treatment, enhancing patient satisfaction, and creating a seamless continuum of care without the cost or complexity of operating a traditional on-site pharmacy.

Benefits to Your Practice Include:

Create a one-stop
patient experience

Increase medication
adherence

Enhance patient
satisfaction

Improve patient access
to treatment

Add pharmacy convenience
without added staff burden
