2021 Spring Nucs

We will be offering 5 frame, medium Nucs for the 2021 spring season. We will have a limited amount to offer so making a deposit is the way to ensure your name is on our list. WE will be doing first come first to get their bees in the spring.

Our Nucs will include a laying Queen, eggs and brood of all stages, workers and drones, Honey and Nectar.

The cost for a Nuc is \$175.00 (per Nuc). There is a \$100.00 deposit to be placed on the list and \$75.00 at pick-up time. Please note that this is a non-refundable deposit.

Pick-up will vary depending on what Mother Nature does during the winter and early spring but will be looking at Mid-April.

Everyone is welcome to come over and see their Nucs the day before pick-up to verify their Queen, and their Nuc as a whole. OR pick them up without inspecting them. Once you pick them up and leave S&B Apiaries with your bees they are no longer guaranteed.

WE accept Cash, Money Orders, cash and Credit cards. (There will be a 2.5 % fee added to all C.C. charges).
